Dear IEM Members,

APPEAL FOR CONTRIBUTION
To the IEM Building Fund

It is reiterated that 24 November 2007 marked the beginning of another milestone in the history of IEM as we officially became the owner of a four and half storey building opposite the current Bangunan Ingenieur.

As already mentioned, the purchase of the building was primarily to cater for the expansion of IEM as we strive to provide more activities and service to our members. The building would ultimately become an engineering centre that would cater to all sorts of services to assist members in their business as well as career development. With IEM moving rapidly beyond Malaysian shores, it is the aim of the IEM Council that Malaysia would in the near future become the hub of engineering for the region and IEM would be the gateway for Malaysian engineers to achieve international recognition.

The current financial situation requires IEM to lease out part of the building whilst efforts are being through made a fund raising drive to reduce the borrowing and expedite repayment of the loan. This will allow members to use a bigger portion of the building and ultimately the whole building. Contributions received are also used to fund the refurbishment of the area to be used by IEM.

Generous contribution from IEM members as at April 2008 totalled RM303,720.50 while other private organisations have donated a total of RM318,502.00 bringing the sum received to RM622,222.50. We are still very far behind our target in order to settle the bank loan of RM12.15 million and an estimated RM1.0 million for refurbishment works.

However, we are very encouraged by the support shown to date and would like to record our sincere appreciation to members and private organisations who had contributed towards the fund. For members who have started contributing, please keep it coming and for those who have not, please start, it is better late than never.

Y. Bhg. Dato' Engr. Abu Hashim bin Abd. Ghani, FIEM, P.Eng.
Chairman
Ad Hoc Committee on Fund Raising
