Urban Engineering Development Special Interest Group (UEDSIG)

## WEBINAR TALK ON “SUSTAINABLE LIVING: INTEGRATING ESG PRINCIPLES INTO EVERYDAY CHOICES”

**TIME: 9.30 am - 11.30 am**

**DATE: 10 August 2024 (Saturday)**

**1**

### SYNOPSIS

"Sustainable Living: Integrating ESG Principles into Everyday Choices" delves into the practical integration of Environmental, Social, and Governance (ESG) values into our daily lives. This discussion explores how seemingly ordinary decisions, from what we buy to how we live, can reflect our commitment to sustainability, social responsibility, and ethical governance. Through real-world examples and actionable advice, this topic aims to inspire individuals to seamlessly incorporate ESG principles into their routines, fostering a more conscious and impactful approach to living.

### SPEAKER

#### Ts. Lim Vincent

After earning a B.Sc in Architecture from Taylor's University in 2011, Ts. Lim Vincent practiced architecture for three years before shifting to sustainability. He served as Associate at BGreen Consultancy, Director at BGreen Conevo, and is now Director at Conevo Green Consultancy. With a decade in green building, he's led 100+ projects across Malaysia, earning accolades like the ASEAN Energy Award 2023. Vincent also serves as Vice President of malaysiaGBC, having been a Council Member since 2017.
