BOILERMECH

GROUP

28 JUNE 2024, FRIDAY

10.00AM - 1.30PM

BOILERMECH GROUP

GROUND FLOOR, TRAINING ROOM

Organised by IEM YES HQ AND NATSUM OC

BEM APPROVED CPD/PDP HOURS: 2 HOURS

REF. NO.: IEM24/HQ/224/V

**Commitment fees
(Non-refundable &
non-transferable)**

**IEM Member:
RM 30.00**

**Non-IEM Member:
RM 60.00**

EVENT SYNOPSIS:

Today Boilermech is the leading biomass boiler design and manufacturing company in Southeast Asia and supplies its products to as far as the African continent and Central America. Over time, Boilermech's capability have also expanded into biomass power generation sector, whereby it designs and supplies integrated solutions from fuel treatment and handling to steam and power generation systems, as well as water treatment systems and emission control.

EVENT OBJECTIVES:

-  **Understanding Processes** - Observing the manufacturing and operational processes.
-  **Practical Learning** - Offers a practical learning experience, supplementing theoretical knowledge.
-  **Corporate Responsibility** - Seeing how the company integrates sustainable practices into its operations.
-  **Networking Opportunities** - Connect with fellow young engineers and industry professionals during the visit.
