About Visit

KONE is a global leader in the elevator and escalator industry, and together with our partners and customers around the world, our job is to make the world's cities better and more sustainable places to live.

By participating in this technical visit, participants will witness first-hand the benefits of KONE Digital Experience (DX) offerings and collaboration with KONE ecosystem partners and how DX offerings can be integrated into the strategy of improvising the human traffic flow within a building. Through this visit, participants will learn about KONE's comprehensive DX offerings through their own senses, which in turn, design a future-proof building.
